

## **5.11 Tactical® and Griffin Technology Join Forces to Launch *Griffin Survivor: 5.11 Tactical Edition* Rugged Mobile Accessories**

*Griffin Survivor: 5.11 Tactical Edition Range of Ultra Protective iPhone 7, iPhone 7 Plus Cases, Portable Power and Connectivity Solutions Now Available*

Irvine, CA– September 6, 2017 – [5.11®](#), global innovator of purpose-built gear for tactical professionals, and [Griffin Technology®](#), creator of award-winning and thoughtfully designed mobile accessories, together debut the **Griffin Survivor: 5.11 Tactical Edition** collection of rugged and versatile mobile accessories. The collaboration includes ultra-protective iPhone 7 and iPhone 7 Plus cases and high-performance power and connectivity solutions, available today online at [5.11 Tactical](#), [Griffin Technology](#) and in 5.11 retail stores.

The *Survivor: 5.11 Tactical Edition* mobile accessory range unites Griffin’s widely-recognized *Survivor* series of military-tested protective mobile solutions with 5.11’s purpose-built and highly durable product design features to deliver a collection of personal tech solutions built to withstand the elements.

*“5.11’s tactical end-users have asked us for rugged phone cases and accessories,”* said Tom Davin, CEO 5.11 Tactical. *“They want gear that will keep them mission ready, on and off duty. We partnered with Griffin Technology because they have the best solutions for mobile device protection and everyday carry that will help us meet that demand.”*

*“Operators from the world of law enforcement, firefighters, emergency management and military personnel worldwide trust Survivor to protect their devices so a partnership between 5.11 Tactical and Survivor is a perfect match,”* said Ethan Opelt, Survivor Category Manager at Griffin Technology. *“We have long been incredibly impressed with the innovative approach 5.11 Tactical brings to the apparel and gear they design and we value learning and applying their tactical gear expertise to deliver the Griffin Survivor: 5.11 Tactical Edition collection.”*

**Griffin Survivor: 5.11 Tactical Edition Product Details:**

**Survivor Extreme: 5.11 Tactical Edition**

The *Survivor Extreme: 5.11 Tactical Edition* delivers superior shock-absorption with Griffin's patent-pending Interior Impact Dispersion System by suspending the iPhone within the case to cushion it from drop damage. The *Survivor Extreme: 5.11 Tactical Edition's* sealed shell design offers 360-degree protection with the addition of a slide-on screen guard that shields the screen and Touch ID scanner against debris and moisture.

- Drop-tested up to 10 feet (3m)
- Rated IP55
- Military Standard 810G
- MSRP: \$59.99 USD

**Survivor Strong: 5.11 Tactical Edition**

The *Survivor Strong: 5.11 Tactical Edition's* one-piece, low-profile shell snaps on to deliver heavy-duty device protection in a slim design. The *Survivor Strong: 5.11 Tactical Edition* integrates Griffin's patent-pending Impact Dispersion System to absorb shock while defending the iPhone 7 and iPhone 7 Plus from drops and wear and tear.

- Drop-tested up to 7 feet (2.1m)
- Military Standard 810-G

- Slide-on screen protector
- MSRP \$34.99 USD

**Survivor Clear: 5.11 Tactical Edition**

Constructed with an impact-absorbing bumper and a scratch-resistant clear shell, the *Survivor Clear: 5.11 Tactical Edition* delivers everyday drop protection for the iPhone 7 and iPhone 7 Plus in a lightweight and see-through design.

- Drop-tested up to 4 feet (1.2m)
- Military Standard 810G
- 6H scratch-resistance rated
- MSRP \$24.99 USD

**Survivor Rugged Power Bank: 5.11 Tactical Edition**

With an impressive charging capacity and rugged exterior, the *Survivor Rugged Power Bank: 5.11 Tactical Edition* is the ultimate portable power product for charging smartphones and tablets in urban and rural environments while on the move. The rechargeable battery can survive drops and spills through a shatterproof polycarbonate and abrasion-resistant silicon design. A self-sealing strip keeps the battery, power ports, and built-in LED emergency flashlight stay clean and dry, ideal for shielding against water damage and dust particles during any mission.

- Drop-tested 6.6 feet (2m)

- IP66 rated
- 10,050mAh capacity provides up to three full charges for an iPhone 7 Plus; one full charge for an iPad Air
- MSRP \$64.99 USD

### ***Survivor Charge/Sync Cable: 5.11 Tactical Edition***

Through brutal 10,000-cycle bend and environmental testing, the ballistic-grade material and tri-layered construction of the *Survivor Charge/Sync Cable: 5.11 Tactical Edition* provide durable and reliable iPhone 7 and iPhone 7 Plus charging during the most rigorous of activities.

- Length: 4 feet (1.2m)
- Ballistic nylon outer cable jacket
- Charge, sync, or transfer data
- MSRP \$34.99 USD

The debut range of *Griffin Survivor: 5.11 Tactical Edition* iPhone 7 and iPhone 7 Plus cases and rugged power solutions are now available today in 5.11 Tactical stores, and online at [5.11Tactical.com](http://5.11Tactical.com) and [Griffin Technology](http://Griffin Technology). 5.11 and Griffin Technology will continue to work together to bring additional tactical personal technology innovations to the market.
