Survival Armor Inc offers a limited warranty for a period of sixty (60) months. Consistent with the terms of the limited warranty, Survival Armor, Inc. will continue to support the warranty of Survival Armor's ballistic and spike panels when used with the 5.11 External Vest ballistic vest carrier cover system. As with all ballistic and spike-resistant vests the panels offer protection to only those areas that cover the body. Survival Armor Inc. will not be responsible for the sizing or labeling of the 5.11 External Vest body armor carrier cover used with our ballistic panels.

Thanks for the opportunity to work with you.
