FIELD GUIDE

FALL 2017 | ISSUE 36

ALWAYS BE READY®

A man in a red t-shirt and jeans is running on a dirt road. In the background, a white pickup truck is parked. The scene is set in a natural, outdoor environment with trees and bushes. The man is running towards the camera, and the truck is parked behind him. The overall tone is energetic and adventurous.

ALWAYS BE READY[®]

The right mindset, training and gear is what separates those who are ready and those who are not. Ready to help those in need, ready to protect and serve, and ready to crush goals. 5.11 embodies this mindset of preparedness. We make the gear for those individuals who will always be ready for any mission, for every adventure.
